Circular Letter No. 00-1356

RE: Code 9554 — Sign installation, maintenance, repair, removal, or replacement NOC – Away from shop & drivers

Circular Letter 97-1282 announced that the Minnesota Department of Commerce had approved our filing of NCCI Item B-1335 with two effective dates. The first effective date of January 1, 1998 that is applicable to new and renewal business only separated sign manufacturing from sign installation operations and created a distinction between sign installation by advertising companies and sign installation by non-advertising companies. At the same time, several new cross-references were added to the *Basic Manual* to clarify that sign manufacturing businesses should be classified based on the materials being used in the manufacturing process.

The second phase of Item B-1335 discontinues Codes 9545, 9549, and 9552 and reassigns these classifications to Code 9554. This action was approved by Minnesota's Department of Commerce to take effect January 1, 2001, applicable to new and renewal business only. Although MWCIA's 2001 Ratemaking Report included the information necessary to file a rate for Code 9554, it has come to the attention of Department of Commerce and Association staff that a number of members have not filed a rate for Code 9554 to be effective January 1, 2001. This creates a serious situation for those members who choose to insure employers in the sign manufacturing or sign installation business for two reasons: (1) Codes 9545, 9549, and 9552 no longer exist as of January 1, 2001 and policies submitted to MWCIA using any of these classification codes will be rejected; (2) Members wishing to insure employers under Code 9554 as of January 1, 2001 cannot do so until their new rate has been filed and approved by Minnesota's Department of Commerce.

The attached exhibits illustrate the changes necessary to the alpha and numeric listings of Minnesota approved classification and statistical codes in the Minnesota exception pages of the *Basic Manual* to incorporate this item. A copy of Circular Letter No. 97-1282 with its exhibits is available on our website at www.mwcia.org or by contacting our front desk services specialists at 952.897.1737. Please direct any questions you may have concerning this item to one of our underwriters at 952.897.1737, or by emailing our office at underwriting@mwcia.org.

Very truly yours,

M. A. JOHNSON
