**RE: NCCI Item B-1393—Data Reporting Instructions - DTEC - Domestic
Terrorism, Earthquakes, and Catastrophic Industrial Accidents**

For your information, MWCIA has reviewed the possibility of filing this item for use in Minnesota with the Department of Commerce. As a result of those discussions, this item will not be filed for use in Minnesota. Rather, information regarding DTEC exposure and possible rating methodologies will be included in the upcoming 2006 Minnesota Ratemaking Report, which is scheduled to be released Mid-August.

Please direct any questions you may have regarding this item to Craig Anderson, VP – Actuarial Services at 952-897-6431, or craig.anderson@mwcia.org.
