**RE: Updated WCIO Workers Compensation Data Specifications Manual**

In March 2006, the WCIO/EDI Committee met to review and discuss proposed changes to the ***WCIO Workers Compensation Data Specifications Manual*** and the ***Data Reporting Handbook***. The updated pages dated March 2006 reflect the revisions as approved by the committee.

The updated version of the ***WCIO Workers Compensation Data Specifications Manual*** is now available on the WCIO website at [www.wcio.org](http://www.wcio.org) under the "Products" section. Revisions were also made to the ***Data Reporting Handbook***.

Since this is a "revision," all additions, deletions, and changes will be identified with markings in the margins and underlining in the text. The date at the top of the page where the revision took place reflects the date the change was made.

Contact the appropriate individual insurance organization/jurisdiction with any questions you have regarding the additions, deletions, changes and any applicable effective date of this reprint. The contact person at MWCIA is Pam Flaten at 952.897.6417 or a message can be emailed to [pam.flaten@mwcia.org](mailto:pam.flaten@mwcia.org).
