RE: Web Based Carrier Rate Summary Product

The Minnesota Department of Commerce (Commerce) and the Minnesota Workers' Compensation Insurers Association, Inc. (MWCIA) are pleased to announce the release of the Carrier Rate Summary Product located on the MWCIA website at www.mwcia.org.

The collaborative effort between Commerce and MWCIA has allowed MWCIA to replace the previous Carrier Rate Search Product with an enhanced Carrier Rate Summary Product. This new tool provides the critical components of the carrier's rate filing as well as a link to PDF copies of approved, **electronically submitted** carrier filings. The Carrier Rate Summary Product allows users to search carrier filings by NAIC or NCCI number, or by name and also contains effective dates, rate type, multiplier and expense constant.

Please note that if the Rate Type column is blank it means that the carrier is using one multiplier for all classification codes. If "Deviated" appears in this column, it means that the carrier has filed different multipliers for selected classification codes.

If you have any questions regarding the Carrier Rate Summary Product please contact one of our Member & Customer Services' staff by calling 952.897.1737 (Option 1) or emailing info@mwcia.org.
