RE: Minnesota Medical Data Call Reporting Manual

The Minnesota Department of Commerce has approved the Minnesota ***Medical Data Call Reporting Manual*** effective January 1, 2010.

As mentioned in our Circular Letter No. 09-1566 dated June 24, 2009, MWCIA's Board of Directors has authorized our participation in a workers' compensation medical data collection program. Data collection will be performed directly by the National Council on Compensation Insurance (NCCI) in conjunction with a program they are implementing nationwide. MWCIA member companies who will be impacted by this program have already been notified of the new procedures.

The ***Medical Data Call Reporting Manual*** can be found on our website at www.mwcia.org under the Forms/Manuals/Publications link.

For additional information, please contact MWCIA's Actuarial Services Department at 952.897.1737, Option 3, or by emailing actuarial@mwcia.org.
