RE: Revisions to the *Minnesota Medical Data Call Reporting Manual*

The Minnesota Department of Commerce has approved revisions to the Minnesota ***Medical Data Call Reporting Manual*** effective January 1, 2010. These changes were made based on revisions that NCCI is making to the NCCI ***Medical Data Call Reporting Guidebook***.

As mentioned in Circular Letter No. 09-1556 dated June 24, 2009 and Circular Letter No. 09-1566 dated September 30, 2009, MWCIA's Board of Directors has authorized our participation in a workers' compensation medical data collection program. Data collection will be performed directly by the National Council on Compensation Insurance (NCCI) in conjunction with a program they are implementing nationwide. MWCIA member companies who will be impacted by this program have already been notified of the new procedures.

The ***Medical Data Call Reporting Manual*** can be found on our website at www.mwcia.org under the Forms/Manuals/Publications link.

For additional information, please contact MWCIA's Actuarial Services Department at 952.897.1737, Option 3, or by emailing actuarial@mwcia.org.
