**RE: RFA Public Search Replaced by SERFF Public Access**

Effective October 31, 2014, the RFA Public Search web application is no longer available on the Minnesota Workers' Compensation Insurers Association, Inc. (MWCIA) website.

RFA Public Search allowed the public to access rate filings that have been filed with the Minnesota Department of Commerce by member carriers. RFA Public Search will be discontinued in Minnesota with the October rollout of SERFF Public Access.

Going forward, SERFF Public Access will be needed to view member carrier rate filings. The link to SERFF Public Access, located on the Minnesota Department of Commerce website, is as follows:

<http://mn.gov/commerce/insurance/ins-companies/rate-and-form-filing/SERFF-Filings/SERFF-filings.jsp>

To facilitate the lookup of carrier rate filings in SERFF Public Access, MWCIA has enhanced the Carrier Rate Summary web application on the MWCIA website to include SERFF tracking numbers. A link to Carrier Rate Summary is as follows:
