RE: Enhancement to Experience Mod History – Carrier Notifications

The Minnesota Workers' Compensation Insurers Association, Inc. (MWCIA) is pleased to announce enhancements to the Experience Mod History product on the MWCIA website. Please alert appropriate staff to these new features:

1. Member carrier users may now choose to receive a weekly or monthly email notification when new or revised experience modifications are added to Experience Mod History for their carriers, by selecting an email preference within their Web Membership profile.
2. Member carrier users also now have access to an enhanced search for New/Revised experience modifications. Carrier users will be able to quickly and easily search specific date ranges for any new or revised experience modifications for their carriers.

Access to Experience Mod History is provided through MWCIA's Web Membership system. For more information on Web Membership or to access user guides for Web Membership or Experience Mod History, please go to <http://www.mwcia.org/WebMembership/Login.aspx> .

If you have questions about Experience Mod History or these enhancements, please contact our Underwriting Department staff at 952.897.1737, Option 1. If you have questions about Web Membership, please email WebMembership@mwcia.org.
