Circular Letter No. 17-1705

**RE: WCSTAT Header Record - Basis of Deductible Calculation Code - Code 12 Added**

The Minnesota Department of Commerce has approved the above filing to become effective 12:01 a.m., June 1, 2017 for new and renewal business.

The purpose of this filing is to allow for the reporting in the WCSTAT Header Record of an additional Basis of Deductible Calculation Code (12) in Minnesota by adding this code to the ***Minnesota Statistical Plan Manual***. The new code, 12—Variable—as per the Advisory Statistical Work Group (ASWG) decision to allow flexibility for reporting deductible programs not otherwise defined, would be available for carriers filing variable deductible plans.

The attached Exhibit illustrate all necessary changes to the ***Minnesota Statistical Plan Manual***. As in past filings, underlining indicates new or added text.

Please direct any questions you may concerning this item to MWCIA's Actuarial Department at (952) 897-1737, option 3, or email at [actuarial@mwcia.org](mailto:actuarial@mwcia.org).
