**RE: Appointment of Jennifer Wolf as President and CEO of MWCIA**

Dear MWCIA members:

The Board of Directors of the Minnesota Workers' Compensation Insurers Association, Inc. (MWCIA) is pleased to announce the appointment of Jennifer Wolf as President and CEO Elect following a nationwide search. Jennifer will join MWCIA on February 7, 2022 and will succeed Brandon Miller as President and CEO upon Brandon's retirement in April 2022.

The MWCIA Board of Directors wishes to express our sincere appreciation to Brandon Miller for his excellent leadership of the MWCIA. Brandon is well-respected by his colleagues for his professionalism and the selfless, thoughtful influence he has had on the MWCIA, its members, and the workers' compensation community during his tenure. We wish Brandon the very best in his retirement years.

Jennifer comes to MWCIA as a thought leader with extensive background in the workers' compensation industry. Jennifer has been the Executive Director of the International Association of Industrial Accident Boards and Commissions (IAIABC) since 2012. In that role, she connected with the regulatory community and industry professionals to identify emerging issues, develop resources, and find solutions that reduce harm and aid recovery for those impacted by an occupational injury or illness. Jennifer is known as a visionary and life-long learner with a collaborative, enthusiastic, and engaging leadership approach. Please join us in welcoming Jennifer to the MWCIA!

Sincerely,

Paul Larson  
MWCIA Board of Directors Chair
