Circular Letter No. 24-1844

**RE: Elimination of Carrier Hard Copy Minnesota Contractors Premium
Adjustment Program (MCPAP) Rate Sheets Effective July 1, 2025**

Effective July 1, 2025, the Minnesota Workers' Compensation Insurers Association, Inc. (MWCIA) will no longer provide hard copy MCPAP rate sheets to carriers.

To assist in this transition, MWCIA is pleased to announce that carriers can now receive MCPAP credit factor information via the new WCIO Workers Compensation Construction Premium Adjustment Program (WCCPAP) data specification. Effective 7-1-2024, carriers can obtain the MCPAP credit factor information in WCCPAP format through secure FTP from CDX.

Electronic transmission is a more cost-effective and efficient option for MWCIA, and for most carriers, than hard copy transmission.

We ask that you distribute this circular letter to the appropriate staff to ensure that your personnel are aware of this change.

Please direct any questions you may have concerning this item to MWCIA's Underwriting Department at 952-897-1737, Option 1, or email to underwriting@mwcia.org.
