Informational: 2024 Minnesota Pure Premium Base Rates Update

MWCIA advances our vision of healthy and safe work in Minnesota by serving the workers' compensation community in a trustworthy and transparent manner.

In modeling those values, we are informing you of an error recently discovered in the pure premium base rates effective January 1, 2024 resulting in a misallocation of rate across classes. The overall rate level is not affected.

Following communication with the Minnesota Department of Commerce, MWCIA filed updated 2024 pure premium base rates. The updated pure premium base rates were revised upward for 368 classes and downward for 62 classes.

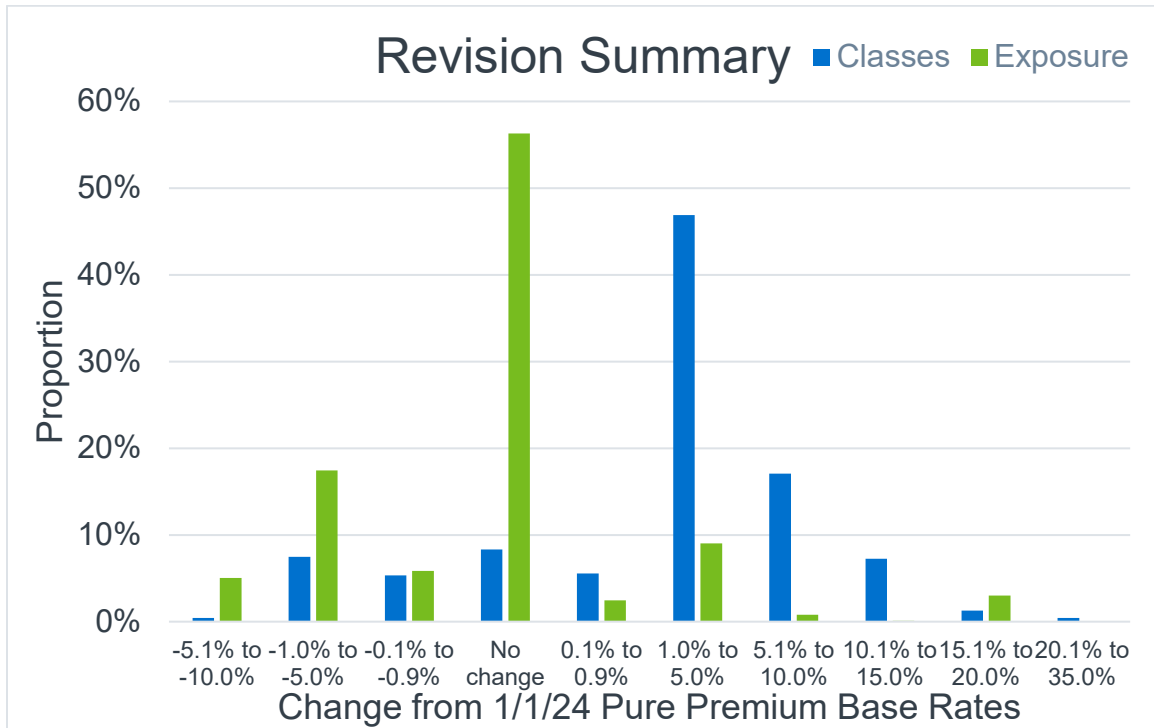

Key Points

- **No action is required by carriers.**
- Carriers *may choose* to submit a filing to the Minnesota Department of Commerce utilizing the updated pure premium base rates effective on or after July 15, 2024.
- The Minnesota Department of Commerce has advised that carriers who chose to submit a filing with an effective date between 7/15/24 and 12/31/24 need to utilize the pure premium base rates effective 7/15/24.

For additional information see the attached exhibits, reference the [Frequently Asked Questions](#), or contact the Actuarial Services Department at actuarial@mwcia.org.

Exhibit 1: Summary of Changes

PURE PREMIUM BASE RATE SCHEDULE

For classifications in the contracting industry group, two sets of pure premium base rates are displayed.

Rates listed under the "DSR Pure Premium Base Rate" heading have not been adjusted for the Minnesota Contractors Premium Adjustment Program, (MCPAP). Rates listed under the "MCPAP Pure Premium Base Rate" heading only appear for classes in the contracting industry group, and reflect MCPAP adjustments.

This pure premium base rate schedule expires December 31, 2025.
