Circular Letter No. 24-1847

RE: 11-1-2024 Assigned Risk Rates

In response to the revised voluntary market pure premium base rates effective 7-15-2024 (see [Circular Letter 24-1845](#)), Deputy Commerce Commissioner Dreier requested a corresponding update to the assigned risk rates effective November 1, 2024.

There is no change to the LCM or expense constant underlying the assigned risk rates. There is no change to the miscellaneous values.

These rates have also been adjusted by the application of the Minnesota Contractors' Premium Adjustment Program.

The intent of this circular is to highlight only the items in the Assigned Risk Rate Schedule that will change due to the Deputy Commissioner's request. A schedule of the approved rates for the Assigned Risk Plan is attached for your convenience.

Please direct any questions you may have regarding this item by email to actuarial@mwcia.org.
