Date: September 11, 2025

To: All Association Members

Re: **Decimal Extension – Rate Sheets**

## Overview

As a reminder, 2026 pure premium base rates (PPBRs) and expected loss rates (ELRs) now have 3 decimal places. Your experience rating worksheets will reflect this change.

## Decimal Extension Additional Information

The ELRs on rating worksheets effective 1/1/26 and later will extend to three decimal places. However your experience rating factor will remain at two decimal places.
