CIRCULAR NO. 26-1871

Date: 1/16/2026

To: All Association Members

Re: **FYI – 2025 Legislative Update**

Overview

This circular provides an update on the status of the Executive Officers and Wrap-Up Filings related to House File 3228.

Key Information

MWCIA would like to inform you that we have withdrawn our Executive Officer filing and Wrap-Up filing that were previously submitted to the Minnesota Department of Commerce.

The filings were withdrawn to allow adequate time to fully evaluate and respond to questions and objections raised during the Department's review process. This approach ensures that any resubmitted filings are complete, clearly aligned with statutory requirements, and responsive to regulatory feedback.

We have since resubmitted the Executive Officer filing with a proposed effective date of March 15, 2026. We are continuing to refine the revised Wrap-Up filing materials and will resubmit them upon completion of that review. Members will be notified of the proposed effective date for the Wrap-Up filing after the Department has completed its review and MWCIA receives approval.
