RE: ACCCT Communications Questionnaire

MWCIA is involved in a joint venture with seven other independent bureaus known as the American Cooperative Counsel on Compensation Technology (ACCCT). The attached letter will provide background as to ACCCT's purpose. Also attached is a questionnaire prepared by ACCCT participants. It is intended to provide ACCCT with information vital to their long range goals. We would appreciate it if you could complete the questionnaire.

Thank you for your time.

Very truly yours,

JOHN P. HILDEBRANDT

President
