RE: MINNESOTA SELF-INSURERS STATISTICAL DATA MANUAL

The following notification regarding the self-insured market is being provided as a courtesy to our membership:

The Minnesota Department of Commerce recently approved the above filing, effective January 25, 1999, for use by Minnesota Self-Insurers.

The *Minnesota Self-Insurers Statistical Data Manual* provides self-insurers and their third party administrators with an instruction manual intended to assist them with their filing obligations under Minnesota statutes 79A.32. A companion document entitled *Minnesota Self-Insurers Statistical Data Manual – Appendix A* was also approved for use in Minnesota effective January 25, 1999.

The Minnesota Self-Insurers Statistical Data Manual does not change filing requirements for the insured market. This is intended for self-insurers only. If you have questions or comments regarding this program, please contact Sharon Bye (612.897.6430) or Linda Hanson (612.897.6427) of our office.

Very truly yours,

BRUCE A. TOLLEFSON, CIC
President
